

Dear EuroShrimp Community Member,

The Aquaculture Stewardship Council (ASC) has launched a Public Consultation seeking feedback to ten documents relating to the operational review of the ASC Shrimp Standard. Therefore, the ASC contacted us and asked to forward this information to the community.

The ASC welcomes all feedback during the consultation period and encourages stakeholders to submit comments on the ten documents under consideration as part of the revision to the shrimp standard, and to the materials detailing potential updates to the metrics methodology.

The consultation period for the ASC Shrimp Standard will last 62 days from **March 2<sup>nd</sup> until May 2<sup>nd</sup> 2020** Stakeholder comments must be received *before* May 3<sup>rd</sup>.
